

Architecture into Education Awards

We welcome all entries that demonstrate architecture related learning activities or schemes of work over the past 4 school years. There is a range of categories covering key stages, themes and subject areas.

WHO CAN ENTER

The awards scheme is open to all teachers across the UK. You can also nominate a teacher or group of teachers for 'Inspiring Individual of the Year – Teacher'.

WHY ENTER

- Share your expertise and passion with your peers
- Showcase and raise awareness of your school's work in this area
- Celebrate your commitment to the value of architecture as a theme in education
- Promote best practice in education

HOW TO ENTER

Apply online by completing a simple form.
The application closes on 14 July 2023.
